

FLATSUB MIDI

HOME IS THE SWEETEST SPOT

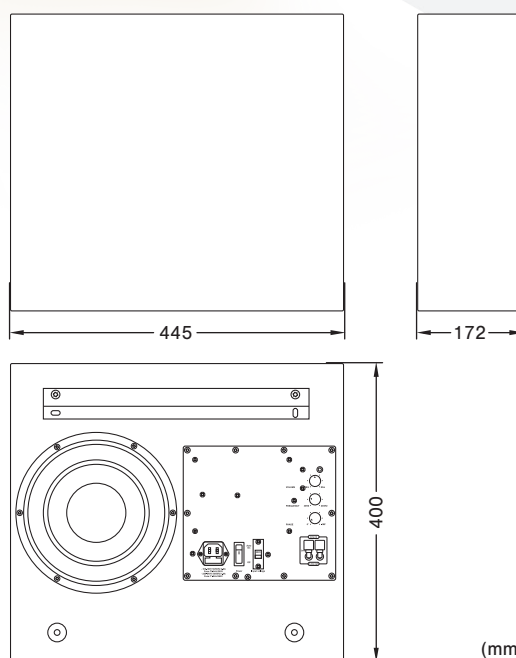

Minimalist subwoofer

The subwoofer that disappears into your living space. Slim, elegant, and powerful – challenging traditional design.

- Rear-facing 8-inch subwoofer driver and 150W Class D-amplifier in a side-vented bass reflex design delivering rich, deep bass.
- Available in matte white or satin black in a hide-away design with a blank front that completely blends in with the environment.
- Slim, wall mounted subwoofer with a minimalist design and impressive performance that easily blends into your living space without being obtrusive.
- Install on the wall with the included adjustable wall bracket for both horizontal and vertical installation, or slide it under furniture for hidden bass.
- RCA Inputs and Outputs for linking multiple subwoofers, and included 90°-angled RCA-adapters. Auto-start and adjustable LPF & Phase to perfectly tune the subwoofer.
